

An illustration at the top of the page shows a stack of three books on the left, with a green highlight on the middle one. To the right of the books are three writing instruments: a pencil, a pen, and a marker, all pointing downwards. The entire illustration is rendered in white and green outlines against a dark green background.

FISD Financial Information Technologist (FISD FIT): The Technology Certification for Market Data Professionals

Getting FIT isn't easy, but buffing up your technology expertise will help you stand out.

Imagine what you could do if you knew more about:

- Cloud computing
- Desktop APIs
- Data science
- Colocation
- Permissioning
- Trading automation

Get started (even from your couch, if you want) with the eTraining + FISD FIT exam bundle, available to members for \$940 USD.
